partnerships.

GILEAD CAMPAIGN

ON PENTECOST 2019, JUNE 9TH, you are invited to make more resources available to congregations across the state and globally in the form of a diocesan community fund called GILEAD, a campaign to raise \$5 million by making a three-year pledge of 3% of your income each year of the next three years.

Strengthening

The Diocese of Iowa has three strong international companion relationships.

\$250,000 of our \$5 million goal will go towards strengthening ministries such as:

- Medical care, expanded school facilities, farming capacity, and clergy support in the Diocese of Nzara
- Creation care, feeding programs, micro economic projects, and promoting gender equality in the Diocese of Swaziland
- Fresh expressions of worship and evangelism initiatives in the Diocese of Brechin

“Our partnerships with Brechin, Nzara and Swaziland create strengthening relationships of mutual respect, thanksgiving and unfolding joy that lead to our being more truly in mission with Christ—through each and all.”

— Melody Rockwell,
Christ Episcopal Church, Cedar Rapids
